Foreword

As time goes by, the memories of the good times we had during this school year will fade into the past. The athletic events, scholastic achievements, and parties - along with many acquired friendships - will not be forgotten. With this thought the alert staff presents the 1963 Alert.

For Forty

Years of

Devoted Service

When John H. Pitman walked onto the Turlock High School campus in 1923, the campus consisted of only the east and west wings and the auditorium, all of which were separate buildings. It was not until 1927 that all of these buildings were connected by the main building. Since Mr. Pitman arrived, all of the outside buildings have been constructed.

The graduating class in 1924 was only sixty students, while in 1963, forty years later, three hundred students will leave the school.

Forty years ago, the faculty consisted of twenty-five teachers, while now there are over seventy teachers.

For forty devoted years of service to our school, Mr. Pitman, we dedicate this 1963 Alert to you. This is only a small portion of our gratitude to you for your service. Thank you so much.

Principal

Education!

What Has It Done For Me?

No one at age seventeen or eighteen is in a position to pass judgment on the value of his education. Like yeast in bread, learning must be given a chance to work before you see results. In the meantime -- don't miss opportunities for more education. Have faith that everything you learn will build a broader base for your next step toward success and happiness.

New technologies and machines have created demands for skilled, knowledgeable workers. The unskilled worker is on the way out. Education is the one best hope for individual attainment. It is also essential for national strength and welfare.

The present and future belong to those who are educated and trained to meet the responsibilities of the times.

Our 1st year is over and what a blast it has been. We sure got a good class. Remember the first rally and how scared we were. But we showed them, huh?

Remember all the slumber parties, the 7th and 8th grade ones too. You can't forget the orchard HEE, HEE and the guys in the white car. Were you scared or were you scared? Class will be more fun next year as sophs. I hope [illegible] Tony babe best of luck a real Remember times we Jr. High? summer see you of Dayton!

Girls' League

Carol Bright, Treasurer; Karen Yamamoto, Secretary; Joanne Boone, Vice President; and Teri Olsson, President.

Girls' League is composed of all the girls attending T.H.S. At Christmas, the Girls' League sponsors a Christmas Party for collecting canned foods for the needy. In the spring the annual Girls' League Banquet is held. These events provided a very active year for Girls' League.

Our Mascots

Butch and Brenda, our mascots, have added a lot to the spirit and enthusiasm this year. They have participated in all the rallies and games. Butch was played by Carla Pilger and Brenda by Judy Williams.

Our Exchange Students

This year's foreign exchange student to Turlock High is Christine Dufour from a small village in France. Turlock's exchange student was Pam Swenson, who spent a never-to-be-forgotten summer in Greece.

Through the American Field Service, which makes these exchange students possible, we are learning more about our foreign neighbors while they learn more about us.

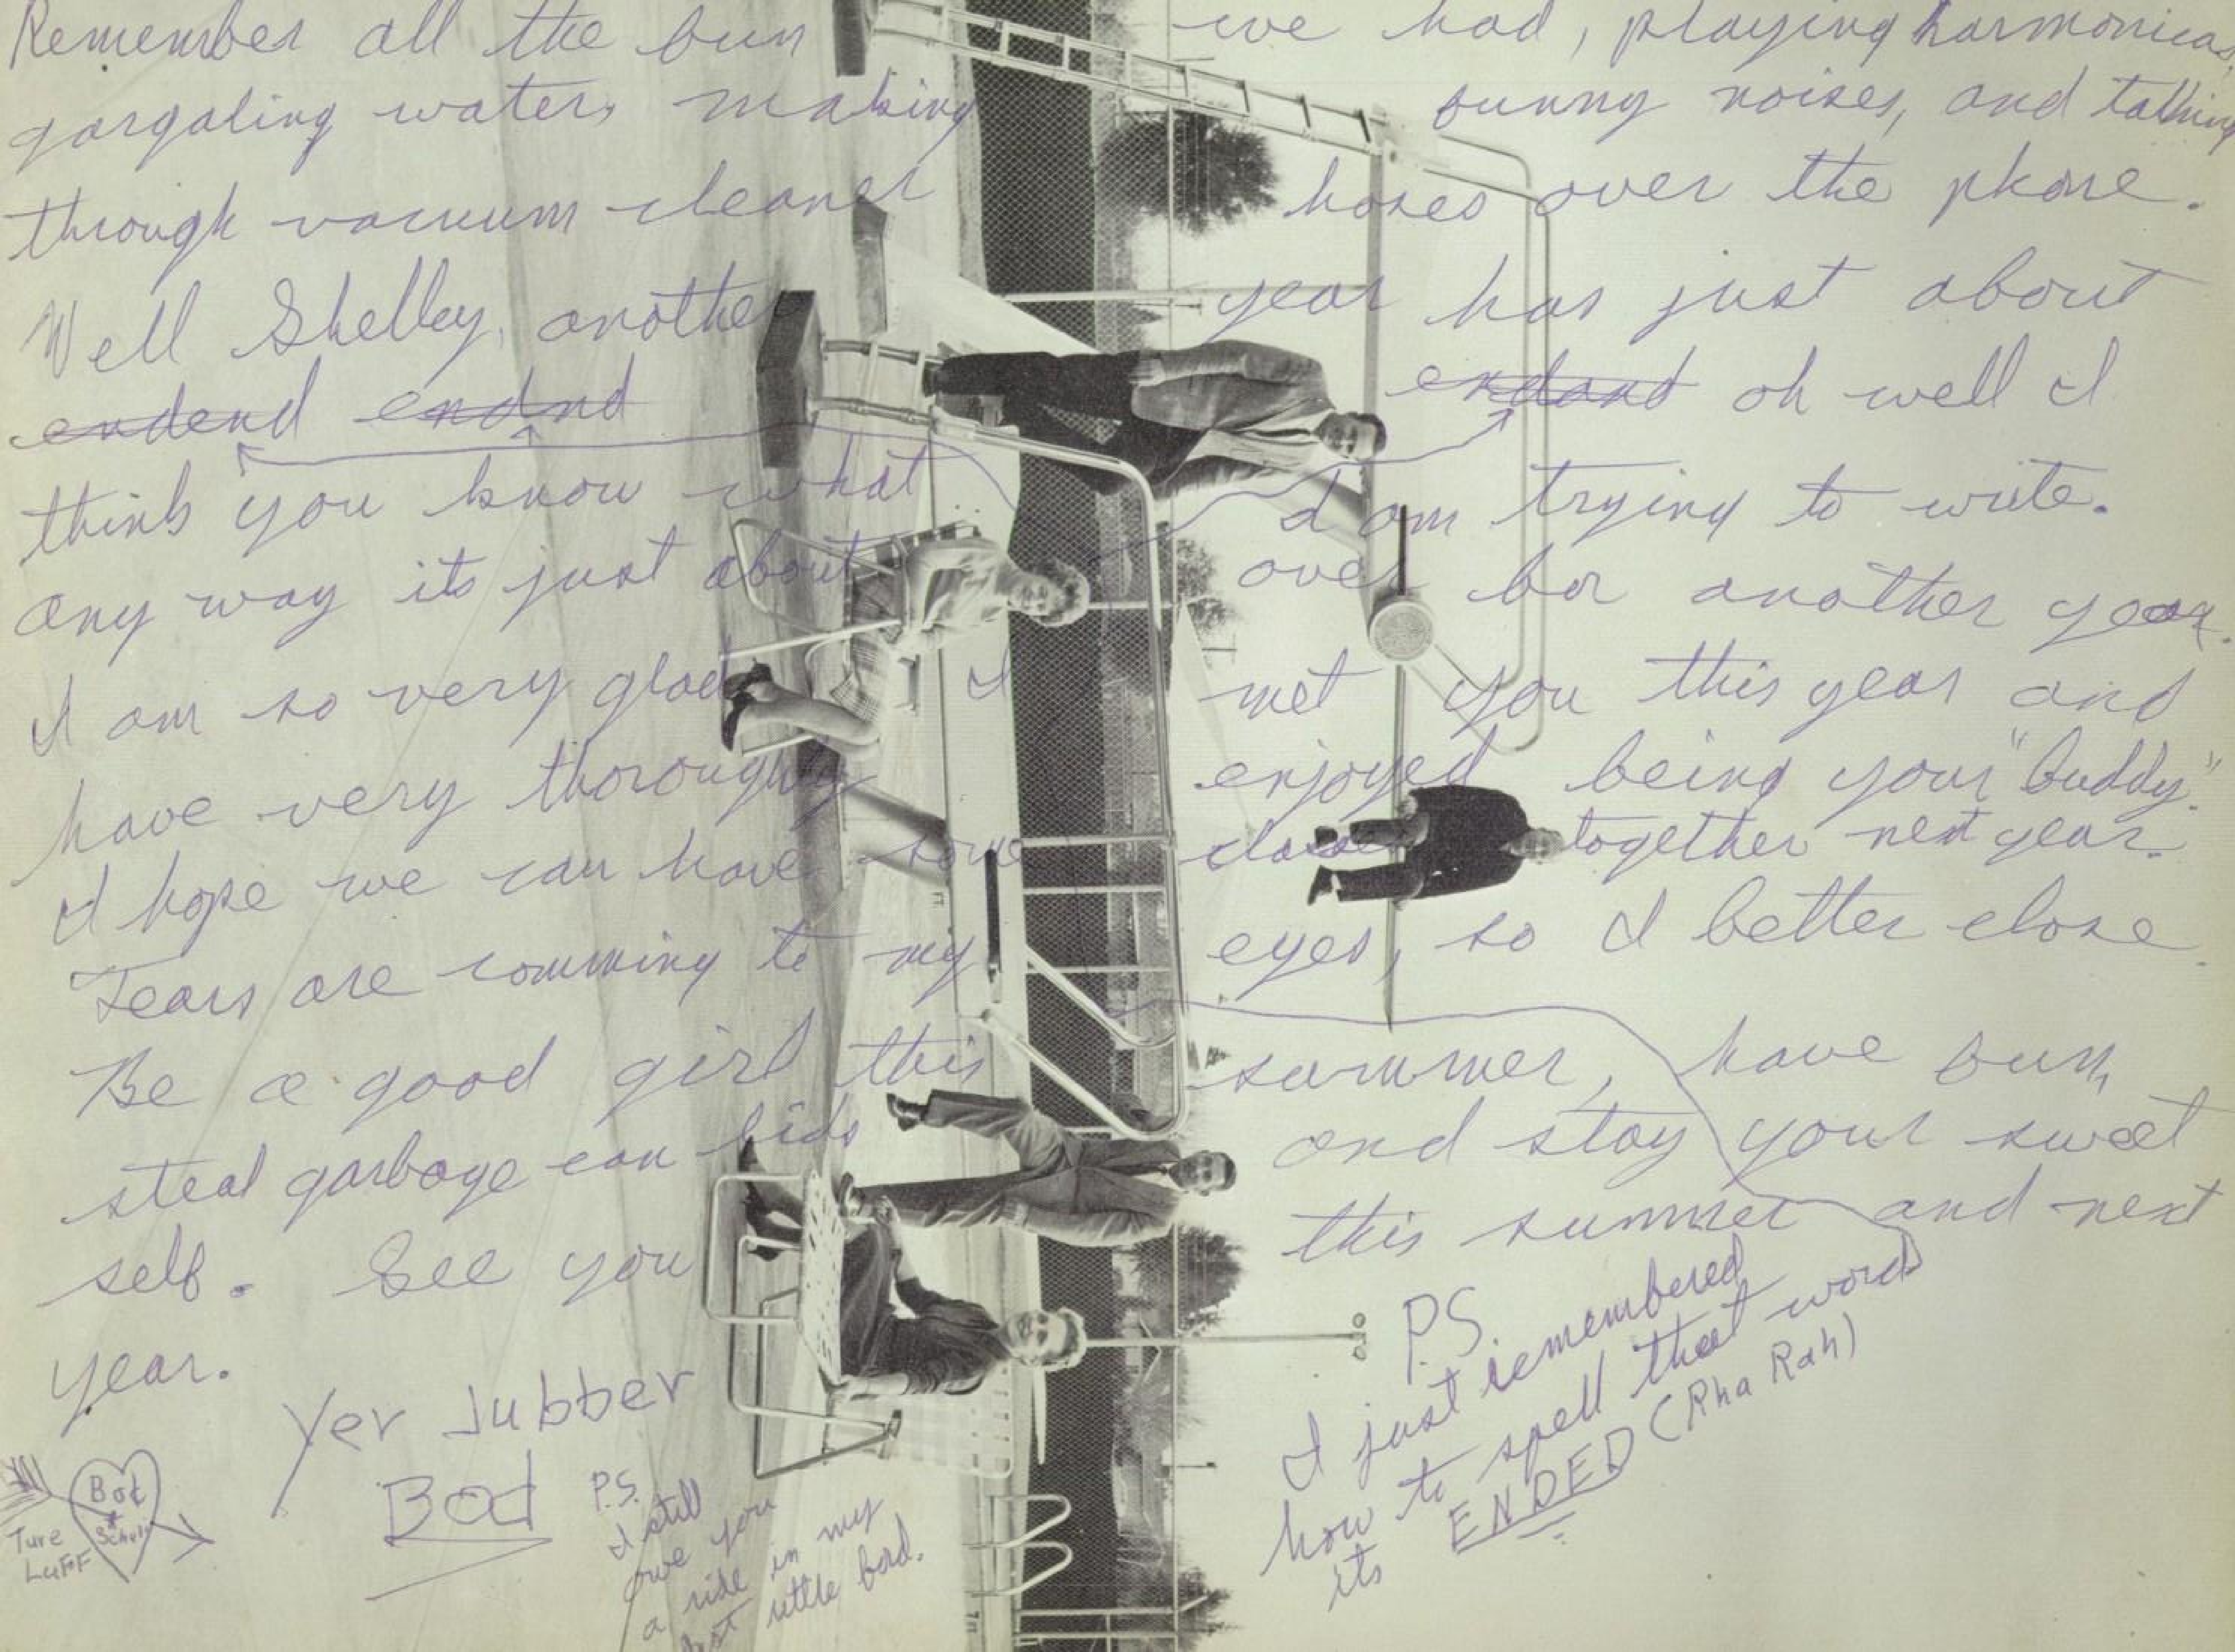
I will never forget (and allways remember) all of the fun we had in Spanish class this year, doing things like, throwing your sweater out the window, throwing paper at each other, me poking runners in your nylons, and just plane raising all ---, and giving Good ol Millie Dillie a bad time. That was sure a lot of fun when you and Linda were in our class, its still fun but not like it used to be. I will allways remember all the fun you had playing that dirty, nasty, bad, and obscene trick you played on me over the phone. (And I really didn't know it was you until you told Rachel to give me that note, then I sorta wormed it outa her, but don't be mad at her). Also thats how I met Jeannie and Shirley. so I guess it was sorta fun. (for you)



Remember all the fun we had, playing harmonicas,
gargaling water, making funny noises, and talking
through vacuum cleaner hoses over the phone.
Well Shelley, another year has just about

IN MEMORIAM

Thine are these orbs of light and shade;

    Thou madest Death; and lo, thy foot
Is on the skull which thou hast made.

Thou wilt not leave us in the dust,
    Thou madest man, he knows not why,
    He thinks he was not made to die;
And thou hast made him; thou art just.

Thou seemest human and divine,

It took me about an hour to find a place to write in your diary. Now that I've found a page, I don't know whether I should fill it up or not. Well, here goes.

So your Freshman year is already over. Went by fast didn't it? If you think that was bad, wait til you're a junior. That's when the year starts flying. So whata ya think of high school? Pretty neat, huh? It's not true what they say about your Freshman year being the best, cuz every year gets better. The last part of this year was the best for both of us, wasn't it? Remember the first time I went out with Larry & it was your second date with Joey? That was fun, huh? I remember, I thou Larry was pretty neat & you came up & asked me if I was going out with "icky ole Larry Esau." Boy, then I wondered what wa getting into. But then it turned out he wasn the little short fat boy with acne all over his face. What a relief! Remember all the fun times we had after volleyball on Monday nites, Henderson Park, for example. Where'd you & Joey go? We just couldn't seem to find you. (we didn't really look too hard - nothin' like being a leech) Then there was always the little episode with Darlene L. That wasn't too cool. Actually I don't think she's a sweat at all. You're the one that's got Joey & I think you're awfully lucky. Be good to him, he's a real great guy & you make a darling couple. Shelly, you're the sweetest Freshman I know & I really think a lot of you. Best of luck always cuz you deserve it. Well have to do some

Shelley: Lots of luck in getting to know you this year. We've had lots of fun in clothing. You will be a real cute leader. Have a lot of fun in the next three years of high school. Don't go by real fast. But of luck and cute girl. I hope to see you around sometime. A friend always. Margo "63"

To Shelley — a very nice girl that's potential in life seem very small. Your only chance seems to be a house wife or a model for the logical reason that they have very few brains topside. Have a great summer and stay out of trouble. I hope to See You A Lot!! Good Luck!
Always,

Turlock High School has every right to be proud of the boys on the Varsity basketball team this year. They played each game with skill and determination. Coach Vern Pitau and captains of the year, Gale Newman and Jim Fetherston, demonstrated fine leadership throughout the entire season. Although the final standings revealed nine wins and ten losses, each game was close and provided plenty of excitement for the Student Body.

It sure has been rewarding to have you in Spanish this year, because if you wouldn't have laughed at my jokes they wouldn't have been as good. Good luck Shelley. See ya around. Paul Ferrise

a real swell girl who enjoys putting bubble gum on glasses. Elmer's now [illegible] biology this year. Hope you pass. Have fun this summer & don't get picked up too often. Hope to have you in some classes next year.

-Shelly-
Well-next year you're going to
be a big Sophomore. Its been
a lot of fun getting to know
you this past year (and part
of last summer too). You're
a real good head, even though
you are kinda "goofy" (not really).
Be good to Tony and don't
drink too much of that dread-
ful liquid (better known as
alcohol) at the after graduation
party. Always stay as sweet
as you are and don't get fat
like most of your girlfriends
("Randee" "The Bubble", Paula "The Basketball"
and the other Dennison).
Be good and BEST OF LUCK
in the future.
A (friend ??) always
Leon Hartnick

Shelley-
It sure has been fun knowing you all
these years. Remember when we were in Girl Scouts,
all those little camps outs we went to, and thought
they were just neat? When Marianne comes out
this summer, I wonder how big and I bet she
going to get alone. Remeber when I had that crush
on Lavette as my idol? How stupid I was to
think she was neat. The next time I start
thinking somebody is my idol I want you to slap
me. We live far apart, but maybe we can get togethe
this summer one and awhile. Hope we have some
classes together next year. Have fun this summer.

Shelly-
Here we are at the end of our good old frosh year. Next year we'll be pushing the frosh class of 1964. Ha! Shelly it seems like always at the end of the year the girls always get who they want mostly like Jeff and Tony if you know what I mean. I guess we're just the luckiest girls in the world huh?? Yes we are even though people feel sorry for us. Thats just a joke I didn't mean it. Lots of luck next year.
Love ya always
Janet

Shelly
Have fun this summer, Hope to have you in some classes next year.
Your friend always
